

## Login

pop out and focus

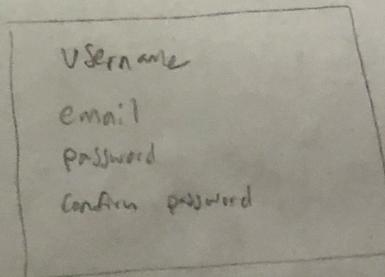

like reddit's login

A hand-drawn sketch of a login form. It consists of a large rounded rectangle containing several input fields and buttons. At the top is a field labeled "email / username". Below it is a field labeled "password". In the center is a button labeled "Log in". To the right of the "Log in" button is a smaller box containing the text "Forgot pw?". Below the "Log in" button is the word "or". At the bottom is a button labeled "(Create Account)".

## Registration

pop out and focus

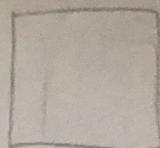

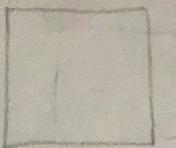

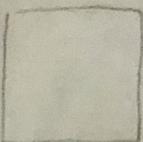

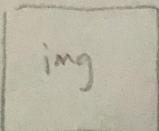

A hand-drawn sketch of a registration form. It consists of a large rounded rectangle containing four input fields. At the top is a field labeled "Username". Below it is a field labeled "email". Below "email" is a field labeled "password". At the bottom is a field labeled "Confirm password".

User (e.g. Dan124) ★★★★☆  
The 3080 is always out of stock, very overrated!

when click  
to UAD

## Admin DashBoard

I like how sirage showed tabs to get to views so IF the admin is logged in he should be able to view: instead of that whole portal thing

UAD Analytics

Add User Button

Search for user

Search button

Found a good template I was going for, So based on the search you are able to see a table of users with the information the admin would want to see about them with no showing of passwords (Filtering the search can be an option)

1 - 50 of 80 users		Select Page		2019 - 2020	User Type	Role	...
	Name	User Type	Role	Latest Year	Grad Year	Tagged Media	Status
<input type="checkbox"/>	D David Acuna	Staff	Administrator	2019 - 2020		14	Activated
<input type="checkbox"/>	M Mel Adams	Staff	Contributor	2019 - 2020		6	Not Invited
<input type="checkbox"/>	D Daman Arora	Staff	Administrator	2019 - 2020		12	Activated
<input type="checkbox"/>	M Michael Atalla	Staff	Contributor	2019 - 2020		0	Not Invited
<input type="checkbox"/>	T Tina Barkley	Student	Contributor	2019 - 2020	2025	0	Not Invited
<input type="checkbox"/>	N Nicole Bentley	Staff	Contributor	2019 - 2020		0	Not Invited
<input type="checkbox"/>	K Kelly Burnham	Staff	Contributor	2019 - 2020		0	Not Invited
<input type="checkbox"/>	R Ryan Carniato	Student	Contributor	2019 - 2020	2022	15	Not Invited
<input type="checkbox"/>	M Mandy Chan	Student	Contributor	2019 - 2020	2020	10	Not Invited

Here after a is chosen the admin can click buttons on what they would like to happen:

Disable User

Delete User

Avtivate User

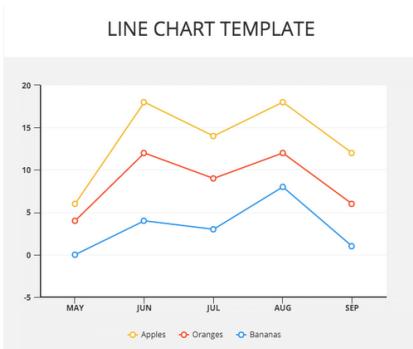

→  
click goes  
page

## User Analysis Dashboard

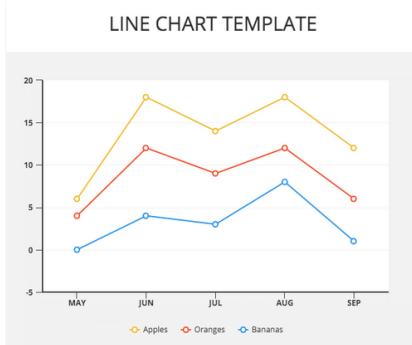

**Bar graph 1:** The number of accounts (Y Axis) held amongst account types (Label : Vendor, Admin, Basic , Devoloper) \*no legends used

**Line chart 1:** Number of registrations (Y Axis) that took place every month (x - axis) and the label show the type of user

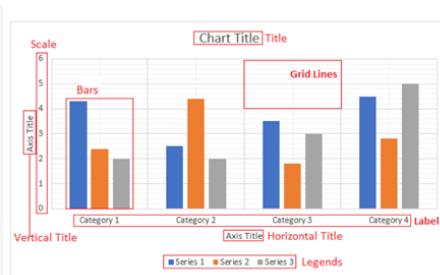

Instead of Pie Chart! Most frequently viewed Autobuild view per month. Number of views as Y-axis , Time on X-axis, and legends are the Autobuild views

**Bar 2:** Percentage usage of Autobuild components  
Y-Axis: usage can be time, or page visits maybe, X-Axis:  
Label is the Autobuild component,\*No legends used

**Bar Graph 3:** Average Session duration(y-axis) of user (shown as labels) \*no legends used
